

WORK STOPPAGES

State law defines a strike to be a concerted action in failing to report to duty; willful absence from one's position; stoppage of work; slowdown, or absence in whole or in part from the full, faithful and proper performance of the duties of employment for the purpose of inducing, influencing or coercing a change in wages, hours, terms and other conditions of employment.

Should a strike occur, the Board will make efforts to keep the schools open and operating. Precautions will be taken for the safety and health of the working staff and students.

The Board of Education shall direct the administration to develop a strike plan as a precautionary measure well in advance of any anticipated work stoppage.
