

PUBLIC PARTICIPATION AT BOARD MEETINGS

The Board desires citizens of the district to attend its sessions so that they may become better acquainted with the operation of the schools and so that the Board may have an opportunity to hear the comments, suggestions and concerns of the public. In an effort to inform citizens in advance of matters to be considered at the Board of Education meetings, advance notice of all regular and special meetings will be provided to the community media. Agenda items that are anticipated at the time of the press release for each meeting may be briefly outlined.

Although the public has the right to attend Board meetings, it has no inherent right to participate or enter into the deliberations of the Board without its consent. Speakers may offer such objective criticisms of school operations and programs as concern them. But in public session, the Board will not hear complaints about school personnel nor against any person connected with the school system. Other channels provide for Board consideration and disposition of legitimate complaints involving individual employees of the district.

At Regular Meetings, the President of the Board will recognize persons requesting to be heard at two separate Public Comment opportunities. The first opportunity allows for members of the public to have a voice before the Board votes on any agenda items/actions. The second opportunity allows for members of the public to be heard regarding any topics not specific to the agenda. At Special Meetings, the President of the Board may recognize persons requesting to be heard during one Public Comment opportunity, with comments pertaining to Board agenda items/actions at said meeting.

It is suggested, although not required, that persons or delegates desiring to be heard before the Board of Education regarding topics not on the prepared agenda, notify the Superintendent and/or Board President of the topic no later than seven (7) calendar days in advance of the meeting.

The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct.

Where his/her ruling is disputed, it may be overruled by a majority of those Board members present and voting.

The presiding officer shall be guided by the following rules:

- A. Two (2) opportunities for public participation will be permitted at each Regular Meeting, each a maximum of thirty (30) minutes. One opportunity may be permitted at any Special Meeting.
- B. Any person wishing to be heard by the Board should first discuss the matter with the appropriate person on the Superintendent's administrative staff and with the Superintendent;

- C. Any group appearing before the Board shall select a spokesperson to address the Board. Other members of the group shall not address the Board except with the permission of the presiding officer;
- D. Each statement made by a participant shall be limited to no more than three (3) minutes. At the discretion of the presiding officer, more or less time, per person, may be allocated;
- E. All presentations must be done in an orderly fashion and must not impede the meeting before, during, or after the presentation;
- F. Generally speaking, individuals will be recognized to speak once on a given topic;
- G. All statements shall be directed to the presiding officer; no participant may address or question Board members or administrators, individually;
- H. Board members may ask the speaker questions or make comments in order to clarify the discussion;
- I. Public statements on work session topics will not be taken.
- J. The presiding officer has the right and power to control the meeting and may take whatever actions are necessary to ensure an orderly meeting.
