

### **DISTRICT SUPPORT ORGANIZATIONS**

The Board of Education appreciates the efforts of all organizations whose objectives are to enhance the educational experiences of District students, to help meet educational needs of students and/or provide extra educational benefits not provided for, at the time, by the Board.

Each volunteer organization shall work within the appropriate school setting and in cooperation with the principal and other staff members and shall abide by the policies of the Board.

The Board may offer the opportunity for any authorized school support organization to receive coverage under the District's liability insurance program to protect the organization against claims resulting from damage or injury resulting from any act or omission of any school-supported entity. The organization shall pay for such coverage upon written notification from the Treasurer.

District support organizations are encouraged to obtain not-for-profit tax exempt status from the Internal Revenue Service (IRS), and to comply with the fund-raising and financial disclosure requirements of the IRS and the Ohio Attorney General.
