

CURRICULUM GUIDES AND COURSES OF STUDY

Curriculum guides shall be provided, as necessary, for the various subject areas. These guides shall present at least a minimal outline for instruction and a basis for further development of the particular course.

The guides shall be designed to assist all users in strengthening and in clarifying their philosophy regarding the teaching of a subject, and will, when possible, suggest a variety of possibilities for instruction, patterns of individualization, variations of approaches, and materials.

- A. Courses of study shall establish the basis for curriculum and instruction and shall define the key components of a district's curriculum.
 1. A course of study shall be adopted by the Board of Education for each subject taught. Each course of study shall:
 - a. Comply with the provisions of O.R.C. §3313.60;
 - b. Align with the district's vision, mission statement, philosophy, educational goals and strategic plan;
 - c. Specify learning and performance expectations;
 - d. Establish a scope and sequence of knowledge and skills to be learned;
 - e. Provide a way to assess student progress and the need for intervention;
 - f. Address the various developmental needs of early childhood, middle childhood and adolescent through young adult students;
 - g. Use technological tools and emphasize inter-disciplinary, real-world, project-based, and technology-oriented learning experiences;
 - h. Be guided by Ohio's state-adopted academic content standards; and
 - i. For career and technical courses, be guided by state-approved career and technical core standards and performance measures.
 2. Courses of study shall provide for topics to be a part of the curriculum as required by Ohio law.
 3. Courses of study shall be reviewed and updated as needed.

- B. The principals and department heads shall see that classroom instruction adheres to the courses of study.
- C. The Superintendent shall maintain a copy of all courses of study offered in the district.

Upon the request of any parent or legal guardian of a student, the parent or guardian shall be permitted to promptly examine, with respect to the parent's or guardian's own child:

- A. Any survey or questionnaire, prior to its administration to the child;
- B. Any textbook, workbook, software, video, or other instructional materials being used in connection with the instruction of the child;
- C. Any completed and graded test taken or survey or questionnaire filled out by the child;
- D. Copies of the statewide academic standards and each model curriculum developed by the State Board of Education shall be available at all times during school hours in each school building.
