

CAREER-TECHNICAL EDUCATION PROGRAM

The Board of Directors believes that:

- A. Each student who chooses, is to be provided a career-technical education which will prepare the student for his/her occupation.
- B. It is vital for every individual to have the opportunity to pursue a career that gives him or her a sense of achievement and pride.
- C. Educational programs should link the world of work to the individual's need to select and be trained for meaningful employment.
- D. The above-cited aspects of the educational process are developmental for all individuals and are a responsibility which must be shared by the schools, the home, and the business and industrial community.

Therefore, the career technical education program shall be provided by Tri-Rivers Career Center.
