

## **RECORDS RETENTION AND DISPOSAL SCHEDULE**

The orderly acquisition, storage and retention of District records is essential for the overall efficient and effective operation of the District. State law establishes a District Records Commission to govern matters pertaining to District records, their retention and disposal in accordance with O.R.C. §149.41.

Pursuant to Ohio law, the District Records Commission (the “Commission”) shall consist of the Board President, Treasurer, and Superintendent. The Board President shall serve as chairperson of the Commission. The Treasurer shall serve as secretary of the Commission. The members of this Commission shall appoint necessary records officers through the District to carry out the necessary work associated with District records.

In accordance with Ohio law, the Commission shall meet at least once annually to review certificates of records disposal forms (RC-3) as submitted by the records officers. Meetings are to be conducted in accordance with Ohio’s Open Meetings Law. Upon the approval of the Commission, such records may be disposed of, pursuant to the following standards:

1. Procedures to dispose of records according to the District’s approved General Schedule of Records Retention and Disposition (RC-2) will be initiated annually.
2. For one-time disposals of records separate and distinct from the approved General Schedule of Records Retention and Disposition, the Commission will submit an Application for One-Time Disposal of Obsolete Records (RC-1) to the Ohio History Connection for approval.
3. Records officers will list those eligible, disposable records on the Certificate of Records Disposal (RC-3), in accordance with the District’s approved schedule.
4. The Commission shall review the Certificate of Records Disposal forms as submitted, annually.
5. Upon the Commission’s approval, the certificates (RC-3) will be forwarded as follows:
  - Original - Forward the original to the Ohio History Connection.
  - Copies - Keep one copy for the Record Commission files.
  - The Ohio History Connection sends a copy to the State Auditor’s office. The District does not need to send a copy to the State Auditor’s office.

6. Records shall be destroyed only as directed by the Commission.

A. Description of Forms

RC-1: The RC-1 is a one-time records disposal schedule. It preempts the RC-2 and approval for disposal is limited to the listed documents only. This form is to be used rarely.

RC-2: The RC-2 Form is used to establish the general Schedule of Records Retention and Disposition to be used by the District. It is created and approved by the Commission and then approved by both the Ohio History Connection and the State Auditor's Office.

RC-3: The RC-3 Form is also called the "Certificate of Disposal." This form gives notice as to when records are to be disposed of according to the pre-approved general Schedule of Records Retention (RC-2). This form serves as notice to the Ohio History Connection and State Auditor's Office that records will be disposed of by the Commission according to the pre-approved general schedule. The Commission prepares and mails the RC-3 to the Ohio History Connection 15 business days prior to disposal.

Procedure

RC-1 Process

1. The Commission approves the Application for One-Time Disposal of Obsolete Records (RC-1) in an open meeting.
2. The Commission forwards the RC-1 Application to the Ohio History Connection for review and approval.
3. The Ohio History Connection forwards the RC-1 Application to the Auditor of State for review and approval.
4. The Ohio History Connection will make a copy and mail it to the Commission for its records and will keep a copy for its own files.

RC-2 Process

1. The Commission approves a General Schedule of Records Retention and Disposition (RC-2) in an open meeting.
2. The Commission forwards the RC-2 General Schedule to the Ohio History Connection for approval.
3. The Ohio History Connection reviews and approves the RC-2 General Schedule if acceptable, and then forwards to the Auditor of State Records Officer in Columbus, Ohio.
4. The Auditor of State Records Officer reviews and approves the RC-2 General Schedule and makes a copy to be maintained in the Columbus office. The original is mailed back to the Ohio History Connection.
5. The Ohio History Connection will make a copy and mail it to the Commission for its records and will keep a copy for its own files.

RC-3 Process

1. The District's Records Officer completes the RC-3 Form when disposal is timely according to the pre-approved RC-2 General Schedule, or the RC-1 Application for One-Time Disposal.
2. The District retains one copy of the RC-3 Form for Commission files and mails the original to the Ohio History Connection.
3. The Ohio History Connection forwards the RC-3 Form to the State Auditor's Office on behalf of the Commission.
4. The Commission waits 15 business days after mailing the RC-3 Form to the Ohio History Connection and then disposes of records according to the approved Schedule.
5. If, for some reason, disposal is not appropriate, the Ohio History Connection will inform the Commission within the 15 business day period established for such a situation.
