

### **USE OF UNMANNED AERIAL VEHICLES (DRONES)**

For purposes of this policy, an unmanned aerial vehicle, commonly known as a drone, is any aircraft without a human pilot aboard the device.

To operate a drone on School property, an individual must obtain prior written approval from the Executive Director. The operation of a drone must comply with all applicable state, local and federal laws, regulations, and ordinances.

The use of drones is prohibited for any purpose by any person on School property during athletic contests without the prior written approval of the Executive Director/designee. School administrators shall remove anyone attempting to use a drone and/or confiscate the drone until the athletic contest has been completed.

The use of drones is prohibited, without exception, during Ohio High School Athletic Association tournament contests hosted on School property.
