

EVALUATION OF TREASURER

The Board of Education shall evaluate the Treasurer, in writing, at least once per fiscal year. The basis for this evaluation shall be, but not be limited to, the Board adopted job description of the Treasurer. A copy of the written evaluation shall be made available to the Treasurer. The Treasurer shall have the right to make a written response to the evaluation, which will become a permanent attachment to the evaluation.

The objectives of the Board's evaluation are to:

1. Promote professional excellence and improve the skills of the Treasurer;
2. Improve the quality of district business practices; and
3. Provide a basis for the review of the Treasurer's performance.

Evaluation criteria are reviewed as necessary or as requested by the Treasurer, but not less frequently than annually. Any proposed revision of the evaluation criteria shall be provided to the Treasurer for his/her comments before its adoption.

The annual evaluations shall be considered by the Board of Education in deciding whether to renew the Treasurer's contract; however, the establishment of this evaluation procedure does not create an expectancy of continued employment. Nothing contained herein shall prevent the Board of Education from making the final determination regarding the renewal/nonrenewal of the Treasurer's contract.
