

### **BOARD - STAFF COMMUNICATIONS**

The Board of Education desires to maintain open channels of communication between itself and the staff. The line of communication will, however, be through the Superintendent, unless the communication is about the Superintendent or circumstances otherwise dictate that the communication must be received directly by the Board.

#### **Visits to Schools**

Individual Board members may be interested in visiting schools on occasion. They shall inform the Superintendent and the building principal of such planned visits and make arrangements for visitation through the principal.
