

BOARD MEMBER CONFLICT OF INTEREST

The Board and individual members follow the letter and spirit of the law regarding conflicts of interest.

A Board member will not have any direct or indirect pecuniary interest in a contract with the district; will not furnish for remuneration any labor, equipment or supplies to the district; nor be employed by the Board in any capacity for compensation.

A Board member may have a private interest in a contract with the Board if all of the following apply:

- A. The subject of the public contract is necessary supplies or services for the district;
- B. The supplies or services are unobtainable elsewhere for the same or lower cost, or are being furnished to the district as part of a continuing course of dealing established prior to the Board member's becoming associated with the district;
- C. The treatment accorded the district is either preferential to or the same as that accorded other customers or clients in similar transactions; and
- D. The entire transaction is conducted at arm's length, with full knowledge by the Board of the interest of the Board member, member of his/her family, or his/her business associate, and the Board member takes no part in the deliberations or decision with respect to the public contract.

The law specifically forbids:

- A. The Prosecuting Attorney or a city attorney from serving on a board;
- B. A member from serving as the school dentist, physician or nurse;
- C. A member from being employed for compensation by a board;
- D. A member from having, directly or indirectly, any pecuniary interest in any contract with a board;
- E. A member from voting on a contract with a person as a teacher or instructor, if he/she is related to that person as father, mother, brother or sister;
- F. A member from authorizing, or employing the authority or influence of his/her office to secure authorization of, any public contract in which he/she, a member of his/her family or his/her business associates have an interest;

- G. A member from having an interest in the profits or benefits of a public contract into by or for the use of, the district; and
- H. A member from occupying any position of profit during his/her term of office or within one year thereafter in the prosecution of a public contract authorized by him/her or a board of which he/she was a member at the time of authorization of that contract.
