

FOOD SERVICES PROGRAM

The Toronto City School District may operate a lunchroom in each building, which shall be under the supervision of the school lunch supervisor.

Food services shall include hot lunches through participation in the National School Lunch Program.

The Board of Education shall approve the prices set for school lunches.

As required for participation in the National School Lunch Program, the Board of Education agrees to the following regulations:

- A. "Type A" lunch will be made available for students.
- B. Free-and-reduced price lunches will be provided to students who cannot afford to pay the price of the "Type A" lunch.

Students shall also be permitted to bring their lunches from home and to purchase beverages and incidental items.

At least one employee who has received instruction in methods to prevent choking and has demonstrated an ability to perform the Heimlich maneuver shall be present while students are being served food.
