

**ENROLLMENT OF RESIDENT AND NONRESIDENT,  
HOMELESS, AND FOREIGN EXCHANGE STUDENTS**

A. General Policy:

Upon the recommendation of the Superintendent and approval of the Board of Education, and when space and other facilities are available, a nonresident student may attend the District's schools by paying the current state-established tuition rate and providing his/her own transportation. Permission for enrollment on a tuition basis will be granted only after parental conference with the Superintendent or designee and establishment of need. This privilege may be revoked if the student fails to follow the established rules and regulations.

B. Determination of Status:

It shall be the responsibility of each school principal to refer all students with nonresident parents, or where there is any question of residency, to the Superintendent for a decision as to his/her status as soon as it is known. The Board reserves the right to review requests for admission of tuition students on a case-by-case basis. Any nonresident student who is under suspension or expulsion from another school system must appear for a hearing in accordance with O.R.C. §3313.66 before a decision will be made regarding his/her admission for the duration of the suspension or expulsion.

C. Eligibility for Enrollment:

Students shall be eligible for enrollment in accordance with O.R.C. §3313.64 and O.R.C. §3301.60 if the student is a child in a military family as defined in the Interstate Compact on Educational Opportunity for Military Children.

D. Homeless Students

The Board will comply with the McKinney-Vento Homeless Assistance Act, 42 USC 11431 (the "McKinney-Vento Act") providing for a free, appropriate education, including public preschool, to each homeless child or youth.

1. The McKinney-Vento Act defines "homeless children and youth" as individuals who lack a fixed, regular, and adequate nighttime residence. The term includes -

  - d. Migratory children who qualify as homeless because they are living in circumstances described above.

2. Specific Duties of the Board:

The Board shall ensure that homeless children and youths are not stigmatized or segregated on the basis of their status as homeless. Under the McKinney-Vento Act, the Board is responsible for fulfilling the following duties to homeless children and youths:

- a. Presuming that continuing the child's or youth's education in the school of origin is in the child's or youth's best interest, unless contrary to the request of the child or child's parent or guardian, or (in the case of an unaccompanied youth) the youth;
  - (1) Considering student-centered factors related to the child's or youth's best interest, including factors related to the impact of mobility or achievement, education, health, and safety of homeless children and youth, giving priority to the request of the child's or youth's parent or guardian or (in the case of an unaccompanied youth) the youth;
  - (2) If, after conducting the best interest of the child or youth presumption and considering the student-centered factors in Paragraph 1 above, the District determines that it is not in the

child's or youth's best interest to attend the school of origin or the school requested by the parent or guardian, or (in the case of an unaccompanied youth) the youth, provide the child's or youth's parent or guardian or the unaccompanied youth with a written explanation of the reasons for its determination, in a manner and form understandable to such parent, guardian, or unaccompanied youth, including information regarding the right to appeal.

- b. Providing for the immediate enrollment of a homeless child and the maintenance of student records for the child;
  - c. Providing services comparable to what other students receive in the areas of transportation, Title I programs, children with disabilities, limited English proficiency, vocational and technical education, gifted and talented education, and school nutrition;

  - e. Establishing a local liaison for homeless children and youth; and
  - f. Reviewing and revising policies to ensure that no policies act as barriers to the enrollment of homeless children and youths.
3. District Liaison for Homeless Children and Youth:

The liaison for homeless children and youth is the Curriculum Director. The liaison is responsible for ensuring that:

- a. Homeless children are identified by District personnel through outreach and coordination activities with other agencies;

- d. Parents or guardians of homeless children are informed of the educational and related opportunities available to their children and a meaningful opportunity to participate in the education of their children;
  - e. The liaison provides assistance to an unaccompanied youth with placement or enrollment decisions, considers their views, and notifies the unaccompanied youth of the right to appeal such decisions;
  - f. Public notice of the educational rights of homeless children is disseminated in locations frequented by parents or guardians of such children, including areas where such children receive services, such as schools, family shelters, soup kitchens, and public libraries, in a manner and form understandable to the parents and guardians of such children;
  - g. Parents or guardians of homeless children are fully informed of and assisted with accessing transportation services available to the child, including transportation to the child's school of origin;
  - h. Disputes over enrollment decisions are resolved as quickly as possible after receiving notice of the dispute;
  - i. District personnel providing services pursuant to this Board policy receive professional development and other support; and
  - j. Ensure that homeless children and youths are informed of their status as independent students under the Higher Education Act and that they may obtain assistance from the District to receive verification for the FAFSA.
4. Procedure for Enrollment Decisions and Dispute Resolution:

If the Superintendent or designee determines that the best interest of the child requires the child to be enrolled in a school other than the school of origin or the school requested by the parent or guardian, the Superintendent or designee shall provide a written explanation to the child's parent or guardian, including the right to appeal such determination to the liaison.

The liaison shall inform the parent or guardian that they can provide written or oral documentation to support their position. The liaison shall review the issue and documentation and issue a decision in writing to the parent or guardian.

If the dispute is not resolved, the liaison shall refer the dispute to the Ohio Department of Education Homeless Consultant for the purpose of utilizing the resolution process on the state level.
