

BUS DRIVERS

The Board of Education employs bus drivers pursuant to the following terms and conditions:

Bus drivers will receive 25 minutes additional time per day for pre-trip inspections (including checking oil, fluids, etc.), bus cleaning, washing. Bus drivers will arrive 15 minutes early to start their bus.

Initial training costs for a full time bus driver will be reimbursed at 100%. Should the driver not complete three years of employment with the District, the District shall be reimbursed for certification and training cost.

The State of Ohio required 6-year certification will be paid by the Board, including mileage.

Drivers will receive time and one-half for working on Sundays and holidays.

If meals are not provided by the restaurant or the group taking a field trip, receipts may be turned in for reimbursement up to the per day limit (\$35.00 per day for meals). Drivers for overnight trips shall be paid only for duty time, not sleep or other off-duty time. On days that school is delayed, drivers will be compensated for the time at work from the time they reported to work until they are notified that school is delayed. On days that school is cancelled, drivers are paid through calamity day forgiveness.
