

BUSINESS ADVISORY COUNCIL

The Board of Education directs the Superintendent to establish a Business Advisory Council. The Council shall advise and provide recommendations to the Board on matters including but not limited to: the delineation of employment skills and the development of curriculum to instill these skills; changes in the economy and in the job market; the types of employment in which future jobs are most likely to be available; and suggestions for developing a working relationship among businesses, labor organizations and educational personnel in the District.

The Council and the Board shall develop a plan by which the Council shall advise the Board about those matters, identified above, and shall file such plan with the Ohio Department of Education. The Council shall meet with the Board at least quarterly.

The Council and the Board shall file a joint statement, not later than March 1 of each school year, describing how the District and the Council have fulfilled their responsibilities pursuant to O.R.C. §3313.82 and this policy.
