

COMMUNITY RELATIONS PROGRAM

The Superintendent shall direct an information program designed to inform the community of the achievements and needs of the schools. The information program shall include at a minimum annual reports of school progress for each school and a regularly updated website.

To these ends, the community relations program shall encourage stakeholder participation in and support of the educational program and shall endeavor to achieve the following goals:

- A. To develop stakeholder understanding of the school system in all aspects of its operation.
- B. To determine how the stakeholders feel about the school system and what it wishes the school system to accomplish.
- C. To develop stakeholder understanding of the need for adequate financial support for a sound educational program.
- D. To help stakeholders assume a more direct responsibility for the quality of education the school system provides.
- E. To earn the good will, respect, and confidence of the stakeholder in the personnel and services of the school system.
- F. To bring about stakeholder understanding of the need for improvement and what must be done to facilitate essential change in the school system.
- G. To involve stakeholders in the work of the Board and the solving of its educational problems.
- H. To invite the assistance, cooperation, and understanding of elected and appointed officials and committees in the development of educational programs and facilities.
- I. To promote a genuine spirit of cooperation between the Board and the community in sharing leadership for the improvement of the community.
