

STAFF CONFLICT OF INTEREST

Employees shall not engage in, nor have a financial interest in, any activity which conflicts with their duties and responsibilities in the district.

Employees shall not engage in work of any type in which information concerning customer, client or employer originates from any information available to them through district sources.

Employees shall not sell textbooks, instructional supplies, equipment, reference books or any other products to the district. They shall not furnish the names of students or parents to anyone selling these materials.

In order that there is no conflict of interest in the supervision and evaluation of employees, at no time shall any administrator responsible for the supervision and/or evaluation of an employee be directly related to that employee.

Pursuant to Board Policy 9.04, district officials shall not be officers or directors of an affiliated school organization.

An affiliated school organization is an organization that is associated with the school district covered by the school districts umbrella insurance policy and or uses the district's name as part of their organization.
