

BOARD OF EDUCATION MEETINGS

Meetings of the Board of Education, whether organizational, regular, or special shall be open to the public at all times. A meeting is any prearranged discussion of the public business by a public body by a majority of its members. Minutes of the proceedings shall be promptly recorded and are public documents, open to the public for inspection. These requirements do not preclude the Board from conducting executive sessions as authorized by O.R.C. §121.22. However, no official business may be transacted except in open meetings, which the public may attend.

Annual Organizational Meeting

The Board shall meet on a day occurring during the first fifteen (15) days of January of each year, and shall organize by electing one (1) of its members President and another Vice-President, both of whom shall serve for one (1) year and until their successors are elected and qualified. The Treasurer of the Board shall canvass the members of the new Board no later than December 31 to establish the day of the organizational meeting.

Regular Meetings

Regular meetings of the Board of Education shall be held as fixed by the Board at the organizational meeting as required by law. The Board may change the date, time, and/or place of any regular meeting to a different date agreeable to the Board, and the Treasurer shall take appropriate steps to inform the public and media of the change within a reasonable time preceding the meeting.

A notice of the time and place of regularly scheduled meetings shall be given to the media who have requested notification. Any individual may ascertain the time and place of all regularly scheduled meetings and the time, place, and purpose of all special meetings by:

- A. Writing to the following address: Board of Education, Fairview Park City School District, 21620 Mastick Road, Fairview Park, Ohio 44126; or
- B. Calling the following telephone number during normal business hours:
(440) 331-5500.

Special Meetings

A special meeting of the Board of Education may be called by the President, by the Treasurer, or by any two (2) members, by serving a written notice of the time, place and purpose of such meeting upon each member of the Board, at least two (2) days prior to the date of such meeting. Such notice must be signed by the official or members calling the meeting. The Treasurer shall take appropriate steps to inform the public and media of the special meeting at least twenty-four (24) hours in advance.

Any representative of the news media may obtain notice of all special meetings by requesting in writing that such notice be provided. Such notice will only be given, however, to one representative of any particular publication or radio or television station. The request shall provide the name of the individual media representative to be contacted, his/her mailing address, and a telephone number and a fax number where he/she can be reached. The Treasurer shall maintain a list of all representatives of the news media who have requested notice of special meetings pursuant to this section.

The Treasurer shall maintain a list of all persons who have requested, in writing, notice of all meetings at which any specific subject matter designated by such persons is scheduled to be discussed. Any person may have his/her name placed on such a list upon advance payment of the cost of this service, as determined by the Treasurer.

Work Sessions

The Board of Education reserves the right to call work and discussion sessions as required. These sessions shall be held in accordance with the provisions of O.R.C. §121.22.

Emergency Meetings

In the event of an emergency, a meeting may be called, and the Treasurer shall notify the news media immediately of the time, place, and purpose of the meeting.

Executive Sessions

The Board may enter into an executive session as a committee of the whole, open only to such persons, other than the members thereof, as the Board may direct, only after a majority of the quorum of the Board determines, by a roll call vote, to hold such a session. The motion shall state the purpose(s) for the executive session. No business of any nature shall be transacted in an executive session, and the meeting must be reconvened before adjournment.

An executive session may be held only at a regular or special meeting for the sole purpose of the consideration of any of the following matters: (1) The appointment, employment, dismissal, discipline, promotion, demotion, or compensation of an employee or official, or the investigation of charges or complaints against an employee, official, licensee or regulated individual, unless the employee official, licensee, or regulated individual requests a public hearing. If the Board holds an executive session under this provision, the motion and vote to hold the executive session shall state the specific purpose(s) for which the executive session is being held, but need not include the name of any person to be considered at the meeting; (2) To consider the purchase of property for public purposes or the sale of property at competitive bidding if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal interest is adverse to the general public interest; (3) Conferences with an attorney concerning disputes which are the subject of pending or imminent court action; (4) Preparing for, conducting, or reviewing negotiations or bargaining

sessions with employees concerning their compensation or other terms and conditions of their employment; (5) Matters required to be kept confidential by federal law or state statutes; (6) Specialized details of security arrangements, if disclosure of the matters discussed might reveal information that could be used for the purpose of committing, or avoiding prosecution for, a violation of the law.

Matters discussed during an executive session are to be considered confidential. No present or former member or employee of the Board shall disclose or use without proper authorization any information acquired during the course of any executive session.

Agenda Preparation and Dissemination

The Superintendent, in consultation with the President of the Board, arranges the order of items on meeting agendas so that the Board can accomplish its business as expeditiously as possible. The particular order may vary from meeting to meeting in keeping with the business at hand.

Items of business may be suggested by a Board member or staff member of the district. The agenda may allow suitable time for the remarks of the public who wish to speak briefly before the Board.

The Board follows the order of business established by the agenda, except as it may vote to re-arrange the order for the convenience of visitors or other individuals appearing before the Board or to expedite Board business. An item of business which is not on the agenda may be discussed and acted upon if a majority of the Board agrees to consider the item. The Board, however, should not revise Board policies, or adopt new ones, unless such action has been scheduled.

When possible, the agenda, together with supporting materials, is available to Board members at least forty-eight (48) hours prior to the Board meeting to permit them to give items of business careful consideration. The agenda is also made available to the press, representatives of the community, staff groups and others upon request.

Quorum

Three (3) or more of the members of the Board shall constitute a legal quorum for the transaction of business at any meeting. If a quorum is not present, no official action can be taken. Except as otherwise required by law, these policies, or parliamentary authority, a majority vote of those members present and voting shall be sufficient to transact business. A member of the Board must be physically present at the meeting in order to be counted as part of the quorum.

Voting

On a motion to adopt a resolution authorizing the purchase or sale of real or personal property, the employment of all personnel, the election or appointment of an officer, the payment of any debt or claim, or the adoption of any textbooks, the Treasurer of the Board shall publicly call the roll of the members composing the Board and enter into the records the names of those voting "aye" and the names of those voting "no." If a majority of the full membership of the Board vote "aye," the President shall declare the motion carried. A member of the Board must be physically present at a meeting in order to vote.

The audio recording and record of voting will constitute the full minutes of the meeting according to Ohio Revised Code 121.22.
