

SCHOOL VOLUNTEERS

The Board of Education recognizes the need to develop a volunteer program to support District instructional programs and extracurricular activities. The purpose of the volunteer program will be to:

1. assist employees in providing more individualization and enrichment of instruction;
2. build an understanding of school programs among interested citizens, thus stimulating widespread involvement in a total education process; and
3. strengthen school/community relations through positive participation.

A volunteer is a person who works on an occasional or regular basis at school sites or other educational facilities to support the efforts of professional personnel. Such an adult volunteer worker will serve in that capacity without compensation or employee benefits of any type, except for liability protection as provided by state law.

Use of volunteers within the District is not to conflict with or replace any regularly authorized personnel allotment.

Volunteers will work with students under the immediate supervision and direction of a school employee.

Volunteers are expected to comply with all rules and regulations set forth by the District.

Volunteers will be insured for industrial injury/illness and liability under the District insurance program.

VOLUNTEERS

The Board recognizes that certain programs and activities can be enhanced through the use of volunteers who have particular knowledge or skills that will be helpful to members of the classified staff responsible for the conduct of those programs and activities.

The Superintendent shall be responsible for recruiting community volunteers, reviewing their capabilities, and making appropriate placements. She/he shall not be obligated to make use of volunteers whose abilities are not in accord with District needs.

The Superintendent is to inform each volunteer that she/he:

- A. is required to abide by all board policies and District guidelines while on duty as a volunteer;
- B. will be covered under the District's liability policy, but the District cannot provide any type of health insurance to cover illness or accident incurred while serving as a volunteer, nor is the person eligible for workers' compensation;
- C. may be required, at any time, to provide a set of the volunteer's fingerprints for the purpose of conducting a criminal records check;
- D. will be asked to sign a form releasing the District of any obligation should the volunteer become ill or receive an injury as a result of his/her volunteer services.

The Superintendent shall also ensure that each volunteer is properly informed of the District's appreciation for his/her time and efforts in assisting in the operation of the schools.
