

### **EVALUATION OF TREASURER**

The Board of Education shall evaluate the Treasurer, in writing, at least once per school year. The basis for this evaluation shall be, but not be limited to, the Board adopted job description of the Treasurer. A copy of the written evaluation shall be made available to and discussed with the Treasurer in a conference. The Treasurer shall have the right to make a written reaction or response to the evaluation. This response shall become a permanent attachment to the Treasurer's evaluation.

The objectives of the Board's evaluation are to:

- A. promote professional excellence and improve the skills of the Treasurer;
- B. improve the quality of district fiscal operations;
- C. establish specific objectives, the achievement of which will advance the District towards its goals; and
- D. provide a basis for the review of the Treasurer's performance.

The annual evaluation shall be considered by the Board in deciding whether to renew the Treasurer's contract; however, the establishment of this evaluation procedure does not create an expectancy of continued employment. Nothing contained herein shall prevent the Board of Education from making the final determination regarding the renewal/nonrenewal of the Treasurer's contract.
