The Superintendent of Schools shall lead, determine structure, and designate membership for the total management team. The team is responsible to the Superintendent who, in turn, is responsible to the Board.

For operational purposes a district administrative support team representing all levels of administration shall be established to facilitate the decision-making process for the management team. Moreover, teams may be constituted as necessary to carry out specific organizational goals or objectives.

The Superintendent of Schools shall designate members of the district management team to participate with the Board negotiating team in negotiations with employee groups.
