

HEALTH AND SAFETY IN SCHOOL BUILDINGS

The Board of Directors directs the Executive Director to periodically review the policies and procedures of the Board to ensure that students, employees, and other persons using School buildings are safe from any known hazards in the buildings or on the building grounds that, in the judgment of the Executive Director, pose an immediate risk to health or safety. The Executive Director shall further ensure that the policies and procedures of the Board comply with all federal laws and regulations regarding health and safety applicable to School buildings.
