

NEW BOARD MEMBER ORIENTATION

The Board shall provide an orientation for members elected or appointed to the Board. The primary purpose of this orientation shall be to acquaint these members with the procedures of the Board and the scope of its responsibilities prior to their assuming their positions on the Board. Copies of the bylaws of the Board, the policies and regulations and any additional material that might assist the members-elect in their role on the Board shall be made available. The Superintendent and Treasurer shall set aside time to answer questions arising from the study of the documents provided and shall cooperate fully in assisting members-elect to become informed and active Board members.

Immediately after the general election, the Board shall invite the members-elect to attend Board meetings. They shall be provided with agendas, Board minutes and information germane to the meeting.
