

MANDATORY

GIFTED EDUCATION PROGRAM

The Board of Directors endorses the concept of providing alternative programs and services to meet the unique educational needs of academically gifted students. “Gifted” means students who perform or show potential for performing at remarkably high levels of accomplishment when compared to others of their age, experience, or environment and who are identified under O.R.C. §3324.03.

Procedures shall meet the requirements of the State Board of Education and shall be on file in the Superintendent's office and available to the public.

Screening and Identification

It is the policy of this Board to screen and identify gifted students in accordance with the following procedures:

- A. Students shall be screened, selected for further assessment and identified using the assessment instruments from the list approved by the Ohio Department of Education (“ODE”) that are determined to be appropriate for the particular student by the Superintendent or his/her designee.
- B. Students shall be identified as gifted based upon the following criteria:
 - 1. A student shall be identified as exhibiting “superior cognitive ability” if he/she did either of the following within the preceding 24 months:
 - a. Scored two standard deviations above the mean, minus the standard error of measurement, on an approved individual standardized intelligence test administered by a licensed or certified school psychologist or licensed psychologist;
 - b. Scored at least two standard deviations above the mean, minus the standard error of measurement, on an approved standardized group intelligence test;
 - c. Performed at or above the 95th percentile on an approved individual or group standardized basic or composite battery of a nationally normed achievement test;
 - d. Attained an approved score on one or more above-grade level standardized nationally normed approved tests.

2. A student shall be identified as exhibiting “specific academic ability” superior to children of similar age in a specific academic ability field if, within the preceding 24 months, he/she performs at or above the 95th percentile at the national level on an approved individual or group standardized achievement test of specific academic ability in that field. A student may be identified as gifted in more than one specific academic ability field.
3. A student shall be identified as exhibiting “creative thinking ability” superior to children of a similar age if, within the previous 24 months, the student scored one standard deviation above the mean, minus the standard error of measurement, on an approved individual or group intelligence test and also did either of the following:
 - a. Attained a sufficient score, as established by the ODE, on an approved individual or group test of creative ability;
 - b. Exhibited sufficient performance, as established by the ODE, on an approved checklist of creative behaviors.
4. A student shall be identified as exhibiting “visual or performing arts ability” superior to that of children of similar age if the student has done both of the following:
 - a. Demonstrated through a display of work, an audition, or other performance or exhibition, superior ability in a visual or performing arts area;
 - b. Exhibited sufficient performance, as established by the ODE, on an approved checklist of behaviors related to a specific arts area.
- C. All School students, including minority or disadvantaged students, children with disabilities, and students for whom English is a second language shall have equal access to screening and further assessment.
- D. All School students identified as gifted shall have an equal opportunity to receive any services offered by the School.
- E. The Superintendent or his/her designee shall develop procedures for students to withdraw from gifted programs or services, for reassessment of students, and for assessment of students transferring into the School.

- F. Disagreements between parents and the School concerning the identification and placement of gifted students shall be referred to the Superintendent or his/her designee, who will meet with the interested parties and render a written decision which shall be final.

Plan for Identification

The Superintendent or his/her designee shall develop a plan for identifying gifted students. The plan shall be adopted by the Board and, together with this policy, be submitted to the ODE for approval. The plan shall contain all of the following:

- A. A description of the assessment instruments from the list adopted by the ODE that the School will use to screen and identify gifted students;
- B. Acceptable scheduling procedures for screening and for administering assessment instruments for identifying gifted students which provide:
 - 1. At least two opportunities a year for assessment in the case of students requesting assessment or recommended for assessment by teachers, parents, or other students;
 - 2. Assurance of inclusion in screening and assessment procedures for minority and disadvantaged students, children with disabilities, and students for whom English is a second language;
 - 3. Assurance that any student transferring into the School will be assessed within 90 days of the transfer if requested by the parent.
- C. Procedures for notification of parents within 30 days of receipt of the results of any screening procedure or assessment instrument and the provision of an opportunity for parents to appeal any decision about the results of any screening procedure or assessment, the scheduling of children for assessment, or the placement of a student in any program or for receipt of services;
- D. A commitment that the School shall accept scores on assessment instruments provided by other school Schools or trained personnel outside the School, if the assessment instruments are on the list approved by the ODE.
- E. The plan may provide for the School to contract with any qualified public or private service provider to provide for screening or assessment services.

Plan for Service

The Superintendent or his/her designee shall develop, in accordance with ODE rules, a plan for the service of identified gifted students enrolled in the School. The plan shall be filed with the ODE.

- A. The Superintendent or his/her designee shall develop written criteria for determining the eligibility of identified gifted students for placement in School services.
 - 1. The criteria shall explain the methods used to ensure equal access to services for all eligible students.
 - 2. Subjective criteria, such as teacher recommendations, shall not be used to exclude a student from service in the superior cognitive and specific academic areas if otherwise eligible.
 - 3. The criteria shall be provided to parents, educators, or the ODE upon request.
- B. Services included in the plan may include such options as the following:
 - 1. Differentiated instruction;
 - 2. Cluster grouping;
 - 3. Mentorships;
 - 4. Accelerated course work;
 - 5. Dual enrollment opportunities, including the post-secondary enrollment option program;
 - 6. “Advanced placement” courses;
 - 7. Honors, international baccalaureate, or other advanced courses;
 - 8. Magnet schools;
 - 9. Self-contained classrooms;
 - 10. Independent study;
 - 11. Advanced online courses and programs;

12. Internships with businesses, nonprofit organizations, and arts organizations;
 13. Early admission to kindergarten or first grade;
 14. [Grade, subject, or other forms of acceleration as set forth in Board policy _____.]
 15. Guidance services;
 16. Other options identified in the guidelines of the ODE.
- C. The [appropriate administrator or specialist] shall prepare a written educational plan (WEP) for each gifted student. The WEP shall include the following information:
1. A description of the services to be provided, including:
 - a. goals for the student in each service specified, including academic goals;
 - b. methods for evaluating progress toward the specified goals;
 - c. methods and schedule for reporting progress to students.
 2. The staff members responsible for ensuring that the services are delivered;
 3. The policies regarding waiver of assignments and the scheduling of tests missed while participating in gifted services outside the general education classroom;
 4. The date by which the WEP will be reviewed for possible revision.
- The WEP shall be provided to the student's parents and all educators responsible for providing gifted education services to the student.
- D. The Superintendent or his/her designee shall ensure that a gifted student receives the minimum level of instruction required for the following educational settings:
1. Resource room: 225 minutes per week for student in kindergarten through grade five; 240 minutes per week for student in grade six through 12;
 2. Single subject classroom with intervention specialist as teacher: 225 minutes per week for student in kindergarten through grade five; 240 minutes per week for student in grade six through 12;

3. Classroom with general education teacher, services provided by intervention specialist: 225 minutes per week for student in kindergarten through grade five;
240 minutes per week for student in grade six through 12.

Instructional services shall be provided by personnel who meet the requirements of ODE for gifted education.

Annual Report

The Superintendent or his/her designee shall submit an annual report to the ODE specifying the number of students in each of grades kindergarten through 12th screened, the number assessed, and the number identified as gifted in each category specified in O.R.C. §3324.03.

Distribution of Policy

The Superintendent or his/her designee shall take steps to ensure that this policy is distributed to parents.
