

HAZING

Hazing activities are prohibited. No administrator, faculty member, or other employee shall encourage, permit, condone, or tolerate hazing. No student shall plan, encourage, or engage in any hazing.

Hazing is defined as doing any act or coercing another, including the victim, to do any act of initiation into any student, or other, organization that causes, or creates a substantial risk of causing, mental or physical harm to any person. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy.

All District employees are required to be alert to possible situations, circumstances or events which might include hazing. If an employee discovers that hazing has, will or might occur, the students involved shall be informed that hazing is prohibited and shall be directed not to engage in hazing. All hazing incidents shall be reported immediately to the Superintendent. Administrators, staff members, and volunteers shall not intentionally remain ignorant of hazing or potential hazing activities.

This policy shall be distributed to all students and District employees.

Failure to follow this policy could result in discipline and subject the violator to civil and criminal penalties.
